Prayer Requests

We depend on members of our congregation to submit the names of people in need of prayer. Contact Carrie Searle at 330-836-9327 x 21 or email her at csearle@stpaulsakron.org to add someone to our prayer list for *three weeks* at a time. (For privacy's sake, please have the person's permission.) **After three weeks**, if you would like to have the person's name remain on the prayer list you may call again to renew the name for another three week cycle.

Weddings at St. Paul's are joyous occasions, elegant, full of promise, and important. **Marriage**, the life-long commitment that comes after the wedding, requires solid preparation. Part of preparing is meeting with our clergy at least six months before the wedding (preferably even sooner!) and, among other things, reading a contemporary book on marriage as a basis for discussion. Currently, Gary Chapman's book, *Things I Wish I'd Known Before We Got Married* is what we use. It's available from Amazon, of course, and we recommend to those already married. A sample copy is available at the front desk.
